This Policy and the Schedule are the evidence of the contract of insurance. Please read them carefully, keep them in a safe place, and take them with you when you go on holiday.

Money Back Guarantee
Please examine the Policy and Schedule and return them to us prior to the scheduled date of departure but not later than seven days from the date of the Policy issuance if they do not meet your requirements. Please refer to the Cancellation Clause under the General Conditions.

Availability of Cover
This policy is only available if you purchased insurance via Etihad Airways or via an Etihad Airways approved distributor.

In your interest and for your safety, we advise caution if you are travelling to any dangerous area where there is known to be war or civil commotion or unrest. Unless specifically mentioned in the Schedule, your cover does not apply to Iraq, Afghanistan, Somalia and in countries where war has been declared or after it has been recognised as a war zone by the United Nations.

Interpretation
For the legal interpretation of the Policy wording Arabic text will prevail over the English text in the event that any dispute arises.

CHAPTER R - MEDICAL TELECONSULTATION

This cover will be applicable for Fly Safe Plus insurance plan as well as any other insured person who book and travel on their trip together.

What is covered
If you feel unwell during your trip and are unsure whether you can continue to travel, the insurer provides the opportunity for you to discuss your symptoms with a general practitioner. The doctor may deliver medical advice, perform a diagnosis or make recommendations for further steps to take, provided the symptoms allow it and it is medically justifiable. The online consultation should give you and your minor children peace of mind for the remaining duration of your travel time.

Teleconsultations are proposed in English, German, Spanish, French and Italian via call back request or video call via the app.

You can take advantage of the telemedical assistance via the app. For telemedical assistance via the “Doctor Please!” app, you can schedule an appointment yourself. The “Doctor Please!” app is available as a free download from the Google Play Store and the Apple App Store. You will need an access code for the app, this will be sent to you by us. Please note that insured dependent children over the age of 18 must set up their own account in this app. The consulting physician may also issue private prescriptions, if local regulation allows, via the app or to a pharmacy of your choice. You will be responsible for the costs of the prescription.

If, during the telemedical assistance, the doctor determines that your situation requires an in-person visit with a doctor to clarify your health condition and, if necessary, provide further treatment, the telemedical assistance ends.
In this case, the doctor arranged by the insurer will recommend that you contact a local medical service provider (doctor, hospital or pharmacy) in order to coordinate any required further treatment with them. You can then contact our support teams, in order to be referred to a local healthcare professional, approved by the AXA network.

Please note that the insurer does not provide a medical emergency service with this benefit. No immediate treatment is offered. If you have acute symptoms, please always seek local emergency care.

Telemedical assistance is provided directly by the doctor arranged by the insurer. The insurer does not take any responsibility for the advice given and the doctor is solely responsible for his medical advice provided.

The insurer will not provide any services beyond those described above. Should a medical treatment or any further medical measures required after a telemedical consultation, kindly refer to Chapter A – Emergency Medical Expenses.

**how much we will pay**

The costs of the telemedical assistance are covered in full by the insurer.
