The premium for your policy is payable yearly or payable at the intervals set out in your policy documentation. Prior to entering into a contract to provide insurance to a consumer, AIG Europe S.A. shall advise the consumer of the premium to be charged and the taxes (currently Government Levy at the prevailing rate) to be levied thereon.

We do not charge for additional premiums or allow return premiums of less than €20 for mid-term policy adjustments on our Motor or Home Insurance policies. We will refund rebate due to you (if any) within 5 business days of receiving instruction to amend your policy. If you have a loan account with Close Premium Finance Ireland for Motor or Home insurance, any rebate due may be added to your loan account and if so, the outstanding balance on the loan account will be determined.

We do not apply administration charges for transactions related to your policy.

Cancellation/Default Remedies

Both a policyholder and AIG Europe S.A. can cancel a policy by notice in writing.

For general insurance products the policyholder is entitled to a 14-day cooling off period. This entitles the policyholder to withdraw from the policy without penalty and without giving any reasons – this 14-day period begins on the start date of the policy. The policyholder will however be charged with a pro rata premium for the period the policyholder is on risk, during the cooling off period. We require the policyholder to request cancellation in writing (by E-Mail/Fax/Letter) and such cancellation will take effect upon receipt of the written cancellation request by us.

If any motor insurance premium is not paid on the date it is due, cover will be deemed cancelled from the date on which the premium was due. If any non motor insurance premium is not paid on the date it is due, you have 30 days in which to pay such premium. If the premium is not paid during this period, cover will be deemed cancelled from the date on which the premium was due. If the premium is paid during the 30 day period, the insurance cover will operate as if it has been paid on the due date.

All insurances are effected on the express condition that pending receipt of the premium from the consumer, AIG Europe S.A. reserves the right to cancel the policy notwithstanding delivery of the policy to the consumer.

For motor insurance policies we require the return of the insurance certificate and disc to accompany the request for cancellations.

Failure to disclose all material information, i.e. information which is likely to influence the acceptance of the risk and the terms applied could invalidate the insurance.

Remuneration

We receive commission from Close Premium Finance Ireland for facilitating applications by consumers for loans for motor and household insurance. Details of our remuneration are available on request.

Conflicts of Interest

Where a conflict of interest arises and cannot be reasonably avoided, AIG Europe S.A. will only undertake business with a consumer with whom we have a conflicting interest where the consumer has acknowledged in writing that he/she is aware of the conflict of interest and that he/she still wants to proceed. In cases where a conflict of interest arises subsequent to us undertaking business with a consumer, AIG Europe S.A. shall inform the consumer and ensure that the conflicting interests are managed fairly.
